

Substitute Teaching Opportunities at Stanley British Primary School

Transitional Kindergarten through Eighth Grade Substitute Teacher (on an as-needed basis)

Overview: Stanley British Primary School, located in Denver's Lowry neighborhood, is a singular independent school serving children from transitional kindergarten through 8th grade. For 50 years, Stanley classrooms have been filled with engaged learners guided by inspired teachers. At Stanley, a child's education goes well beyond academics - our teachers and our instruction principles give children the opportunity to reach their full potential academically, creatively, socially, emotionally and physically. We asked parents, teachers, staff and students to reflect on why they chose Stanley BPS. The answers we heard reflect a place and a philosophy unlike any other in the Denver independent school landscape. Teaching and learning at Stanley goes beyond a simple education. Students here have a chance to play, to choose, to interact and to own and embrace their own learning.

We value:

- An inclusive and diverse community
- Joyfulness
- Lifelong learning
- Positive and constructive communication
- Creativity, flexibility, and resourcefulness
- An understanding of children and childhood
- Commitment to making a positive difference in the world

A Substitute Teacher serves as an integral part of the Stanley team.

Responsibilities Include:

- Being on-call for teacher coverage; assignments range from subbing in multi-age classrooms (TK, K-1-2, 3-4-5 or 6-7-8) or in single-grade classes for language arts, humanities, math, Spanish, arts, etc., and can range from one or two days to a longer term assignment, depending on the needs of the school;
- Creating a safe, supportive, mutually respectful classroom community which values the distinct contributions and abilities of each child;
- Inspiring and educating children to develop to their full potential – socially, emotionally, intellectually, physically and creatively;
- Implementing integrated, meaningful, developmentally-appropriate curricula in which students can explore and experiment through first hand experiences;
- Creating opportunities for students to know themselves, to make good choices, and take responsibility for their own learning and actions;
- Communicating and collaborating positively and professionally with the Stanley staff and community.
