ABOUT ST. ANNE'S EPISCOPAL SCHOOL

St. Anne's Episcopal School is a vibrant, independent PS-8 co-educational community located in the heart of the Denver metro area, serving 430 students. Our culture fosters belonging, growth, and academic excellence, all rooted in our values of integrity, character, and service. Graduates of St. Anne's know themselves, care for others, and strive to improve their communities.

MISSION

Grounded in our founding values, we cultivate a community of curious and compassionate learners who are inspired to serve and enrich our world.

POSITION DESCRIPTION

St. Anne's Episcopal School is pleased to announce an opening for a full-time **Middle School Math Teacher** for the 2025-2026 school year.

St. Anne's Episcopal School is searching for a full-time Middle School Math Teacher. The candidate should have a knowledge of the scope and sequence of 6th-grade math (foundations of algebra), pre-algebra, algebra 1, and geometry and be willing to teach across multiple grade levels. The successful candidate will have a passion for teaching middle school students, and an interest and curricular vision to enhance the program and expand upon its offerings to further grow and enrich the overall Math program. The teacher should use a team-oriented approach and place the needs of the students first.

St. Anne's middle school follows the teacher, coach, mentor model. The teacher will also serve as an advisor/mentor for a group of 8-10 students. The advisor is also responsible for delivering the school's character education program. The ideal candidate is also willing to coach a sport or extracurricular.

Teachers are committed to individual and professional growth, value and respect every member of the community, and are devoted to helping students achieve success. Teachers demonstrate commitment to the mission and values of St. Anne's Episcopal School.

- Actively engage students in the curriculum and concepts through varied and differentiated instruction.
- Incorporate various forms of technology within the classroom and lessons.
- Identify and/or develop resources to meet the needs of the students with varying backgrounds and learning styles.
- Engage actively with assessment practices to inform class-wide instruction and individual student growth in concert with learning specialists
- Practice classroom management that centers the social-emotional needs of children and embodies a joyful classroom environment.
- Incorporate lens of justice, equity, diversity, and inclusion across the curriculum in both planning and delivery.
- Work closely with the Middle School Leadership Team, as well as the Lower and Middle School Math faculty in a PK-8 curriculum development.
- Be willing to work in an interdisciplinary, cross-curricular, and collaborative environment.
- Communicate effectively with families about student progress through both informal touchpoints as well as formal opportunities (report cards and conferences).
- Participate in outdoor education and experiential trips.
- Participate in meetings for student support, department, division, and all school events.
- Perform other duties as assigned such as supervising lunch, recess, study hall, and support students with extra help as appropriate.

IDEAL QUALIFICATIONS:

- Bachelor's degree in a math field or education is required; A Master's degree is preferred.
- Certification in math education grades K-12 is not required, but is given strong consideration.
- Minimum three years teaching experience.
- Candidates must have excellent writing, interpersonal, and organizational skills, and the ability to work independently

St. Anne's Episcopal School is committed to creating a supportive learning environment where all individuals are valued for their unique contributions and are able to achieve their highest potential. We strongly believe that a diverse and inclusive environment is the best learning environment for our students and prepares them to live, work, and thrive in an increasingly global and multicultural community. We reject all prejudice, particularly those based on race, national and ethnic origin, religion, socioeconomic status, gender identity, sexual orientation, and physical characteristics.

St. Anne's believes that each individual is entitled to equal employment opportunity without regard to race, color, religion, gender or gender identity, national origin, age, sexual orientation, ancestry, disability genetic information, veteran status or any other characteristic protected under federal, state or local anti-discrimination laws. The school's equal employment opportunity practices extend to recruitment, hiring, selection, compensation, benefits, transfer, promotional opportunities, training, discipline, and all other terms, conditions and privileges of employment.
