

THE COLORADO DIVERSITY NETWORK FALL WORKSHOP 2024

Everything is Political: Building Community and Capacity for Liberatory Change

How will this year’s Fall Workshop about building a culture and capacity for politically-charged dialogues look and feel?
Energizing. Inspiring. Illuminating. Motivating. Grounding.
Yes, even in this political climate.

Dr. Cori Wong is a dynamic, community-centered public philosopher, speaker, educator, and founder of Positive Philosophy Consulting in Fort Collins, CO. She creates unique spaces for thinking and learning that nurture critical reflection, deep transformation, and authentic relationships to help us become who we want to be in the world we want to create. Values of love, creativity, and freedom inform the means and the ends for her work. Support, truth-telling, humor, intimacy, and playfulness are among the essential ingredients.
