

## Professional Development Series 2024-2025 Academic Year

ACIS is pleased to announce the initial ACIS 2024-2025 Professional Development Series. While still being expanded, and intentionally designed to allow for flexibility as the year unfolds, we already have a wide range of valuable learning and collaboration opportunities scheduled for the academic year.

For a **one-time \$1500 fee**, a school can register **unlimited participants to listed webinars, selected in-person events, and the spring governance webinar as well as recordings of most webinars** (not including the fall leadership conference, ISACS collaborations, or other in-person events). Additional events will be added as part of the subscription offerings as unique needs and opportunities arise, and more specific dates and times will be determined in the coming months. A school subscription offers significantly discounted costs for multiple participants, unlimited staff/trustee access, access to webinar recordings, and simplified payment for the year.

More detailed information about each offering and unique registrations for each event will be provided prior to each event.

### Payment Options-

1. **Annual Subscription-** any and all school employees/trustees can attend any and all listed and added events for a one-time \$1500 fee.
2. **A la Carte-** pay as you go per registrant. Most webinars will be \$50 per person; the spring governance webinar will be \$90 per person.

To register your school, click [HERE](#).
